## Voting Made Easier in 2020

Most voters in Pennsylvania go to a polling place near where they live to vote. There are also ways to vote for people who will be away from home on Election Day. Visit [www.votespa.com/Voting-in-PA/Pages/default.aspx](https://www.votespa.com/Voting-in-PA/Pages/default.aspx) for more information.

## Check Your Status

If you believe you are already registered, you can verify your registration online at [www.pavoterservices.pa.gov](https://www.pavoterservices.pa.gov)

## Apply to Vote By Mail

In Pennsylvania, you now have two options for mail ballots. You may either choose a mail-in ballot or an absentee ballot to request, complete, and return to your county election office.
